### Reflection

Life is constant. Life seems to be always be "on the move". Never seems to be enough time. And Jesus felt the same way. He actually called His Disciples together - "Come away with me and rest a while." Despite how busy we are, we just make a Priority of finding time with Jesus. In our lives, too - so many interruptions. It is almost no wonder we find it so hard to be patient, joyful, happy people all the time. So many distractions.

We must try to make time (5-10) minutes in our day to be "alone with Jesus ". A reading from Scripture - a decade of the Rosary- a visit to the Church. Be Still - Be Quiet, make it a Priority. Let us try it be faithful to it. Let His presence restore our heart.  
*Late Father John Langtry*

## GOD WON'T ASK

God won't ask what kind of car you drive, He will ask how many people you drove who do not have transportation. God won't ask the square footage of your home, He will ask how many people you welcome into your home. God won't ask about the clothes you have in your wardrobe, He will ask how many people have you helped to clothe.

God won't ask what your job is, He will ask if you perform your job to the best of your ability. God won't ask how many friends you have, He will ask how many people to whom you are a friend. God won't ask what neighbourhood you live in, He will ask how you treated your neighbour. God won't ask about the colour of your skin, He will ask about the content of your character.
